The Noritake group's management philosophy has been based on the founder's spirit - "contributing to society through our business operations", and we have been expanding our business under the corporate motto "Good Quality, Export and Co-prosperity".

We continue to aim to make a sustainable society into practice and at the same time enhance the corporate value.

- (1) We engage in business activities that contribute to the reduction of impact on the global environment.**
- (2) We develop and provide products and services that contribute to a convenient society and people's well-being.**
- (3) We conduct appropriate information disclosure and engage in dialogue with stakeholders.**
- (4) We strengthen governance and build a firmer management foundation.**
