Purchasing Policy

Based on Noritake's corporate motto of "Good Quality, Export, and Co-prosperity", we will engage in purchasing activities aimed at continually providing our customers with good products and services deemed satisfactory to them. Furthermore, by building trusting relationships aimed at co-prosperity with our suppliers, we will proactively fulfill our corporate social responsibility in cooperation with our suppliers, that is:

- (1) We will keep our doors open impartially and globally to all suppliers and conduct fair transactions in good faith.**
- (2) When selecting suppliers, we will do so by making an overall judgment that includes reviews on not only quality, price, and delivery time, but also their stance towards corporate social responsibility.**
- (3) We will deepen mutual trust with suppliers we deem reliable in order to achieve co-prosperity.**
- (4) We will comply with the laws and regulations as well as social norms of each country and region while conducting business based on highly ethical standards.**
- (5) We will perform environmentally friendly purchasing in line with Environmental Policy of the Noritake Group.**
